Barrie Segal is the author of website Appealnow.com, a site dedicated to helping people overturn their disputed parking tickets. The leading expert in the field, for the past two years he has also run the Crazy Parking Ticket Awards, for the oddest and most maddening pieces of traffic fining. This book is a humorous collection of the strangest parking ticket tales Barrie has come across.

David Williams from The Evening Standard "This book gives the oppressed motorist heart - there is hope in fighting that unfair ticket!" About the Author
