Connor Pritchard : The Party Bible: The Good Book for Great Times before purchasing it in order to gage whether or not it would be worth my time, and all praised The Party Bible: The Good Book for Great Times:

0 of 0 people found the following review helpful. GeniusBy Zachary M MooreThis is a great book, full of great ideas for parties of all kinds. The book not only gives great party suggestions, but it also constantly entertains with humor throughout. This book is great for all people (of legal drinking age), college kids and working professionals alike! I highly recommend the Party Bible, and am of the opinion this should replace Bibles in the nightstands of Las Vegas hotel rooms!0 of 0 people found the following review helpful. Fun, fun, fun!!By Mona SP Loved the website, but now that the party info is no longer there, I had no choice but to buy the book. Probably a good thing, as half the time I couldn't remember the address of the website, and now it's all readily available to me. This book is NOT just for young people- us 30 and 40 something's enjoy these parties, too! Lots of fun, if you can get your guests to play along!2 of 2

people found the following review helpful. Incredible Book for Incredible Parties!By Rachele0914I can't say enough great things about this book... It's an amazing tool for planning parties, and makes really cool, innovative parties accessible to and manageable for the average joe (or lady joe). On top of that it's just a great, fun and funny read.The authors have really done their homework (which was probably very fun homework to do) and it shows in the creativity of the parties they've included in this book.Sorority girls and Frat boys will be using this book for many years to come, but young and old alike can find great really great, unique ideas in this book. LOVE IT!

Hallefrickinlujah, it's here-your ultimate party-planning guide. Forget the stuffy dinner conversations. And the plates of cheese. And the wine (unless it's boxed, or bottled three-buck Chuck). It's time to tap into a powder keg of debauchery. Brought to you by Connor and Dominic, founders of The 5th Year and scholars in the art of the party, this book serves up dozens of out-of-the-box ideas, along with advice on throwing a successful shindig and plenty of suggestions on how to take the shenanigans to the next level. You'll find ridiculously fun ways to get your drink on, like . . . Tour de Franzia: Spandex-clad partiers chant, 'Go, go, go' as their wine-mouthed friends race through boxes of the classy stuff. Brownbag Surprise: Guests have to MacGyver their own costumes out of whatever's inside the brownbag they're given. Fake Wake: It's like a real Irish wake-except even the stiff's drunk. Donkey Punch Dinner Party: Where placing your Cleveland Steamer Meatballs between a bowl of Dirty Sanchez Seven-Layer Dip and a tray of Dutch Oven Biscuits isn't out of place. So ditch the popped-collar polos and wayfarers and move on from the played-out '80s theme. It's time to try something new. And as entertaining as it is instructive, this book is destined to become your gospel whenever you're looking for a good time. The party's on.

About the AuthorConnor Pritchard partied with the Jesuits at Loyola Marymount University and now makes a living writing in L.A. He and his coauthor Dominic are two of the men behind Comedy Central's Workaholics. And if Shrek and Van Wilder had a love child, it would be Connor. Dominic Russo is a comedy writer and producer who studied the art of partying during five years at Arizona State University. With his coauthor and cohort Connor, he founded The 5th Year brand, which strives to make life fun for everyone.
