Paula Russell : The Pastor Driven Wife: Stories of God's Faithfulness from the Mundane to the Miraculous before purchasing it in order to gage whether or not it would be worth my time, and all praised The Pastor Driven Wife: Stories of God's Faithfulness from the Mundane to the Miraculous:

The Pastor Driven Wife is a collection of strikingly honest stories that will bring laughter, light, and hope to anyone driving the bumpy road of faith. These stories-some hilarious, some poignant, some even miraculous-will especially encourage those who are "weary in well-doing" and provide valuable insights on how to go from "trying harder" to "trusting more." Come take a ride through Honky Tonk Hymns, My Drug Bust, Divine GPS, and many more chapters in the life of The Pastor Driven Wife. Note from the Author: "As a pastor's wife, teacher, counselor, mother, and grandma, I spent years pretending to be happy on the outside while crying and dying on the inside. I was fearful, struggling with perfectionism, fear of rejection, and an inexplicably vague sense of shame-yet deep down I always believed there had to be more. If you're feeling that same longing, there's good news. . . there IS more! So will you join me, maybe in your robe with your morning coffee? Let's ask the Father to bring us both together at His feet. . . free to laugh, cry, or simply receive His love."
