From Penguin Books : The Penguin Book of Limericks before purchasing it in order to gage whether or not it would be worth my time, and all praised The Penguin Book of Limericks:

0 of 0 people found the following review helpful. a surfeit of mirthBy RapunzelIf you need a laugh,just open this book anywhere and start reading. Warning--NOT for the prudish folks; it's definitely bawdy humor but,given that, you will

soon be smiling.0 of 0 people found the following review helpful. Nice CollectionBy Earle WilliamsThis Penguin Book of Limericks has 800+ examples of that poetic form, far more than, say, Bennett Cerf's slender volume.0 of 1 people found the following review helpful. One StarBy Zoe L.It seemed a little juvenile for the person I had bought it for.

Gathers a variety of tongue twisters and humorous poems about history, religion, politics, mathematics, psychology, and sex.

From Library JournalEight hundred limericks are gathered here, and most of them will reduce the average reader to helpless, roll-on-the-floor laughter. A few are the work of literary greats (Twain, Kipling, Auden), but most were written by that poet of the people, Anon. Nothing is sacred in this collection, and the ratio of decent verse to indecent is about what one might expect. Or, as one of the limericks says, "God's plan made a hopeful beginning,/ But Man spoilt his chances by sinning;/ We trust that the story/ Will end in great glory,/ But at present the other side's winning." For public and academic libraries. David Kirby, English Dept., Florida State Univ., TallahasseeCopyright 1986 Reed Business Information, Inc.
