Edward Monkton : The Pig of Happiness before purchasing it in order to gage whether or not it would be worth my time, and all praised The Pig of Happiness:

0 of 0 people found the following review helpful. Loved it. Made my fiance smile. By Happy Vegan Such a sweet book. I got this for my fiance instead of a card and wrote in the book. It is very simple but the message is heartwarming. 2 of 2 people found the following review helpful. The message is simple and simply sensational. By Natalie My teenage daughter initially found this in a bookstore and wanted to buy it, but I couldn't see spending \$10 on a book with 213 words. Then I read the 213 words and promptly proceeded to the checkout to pay \$10 for them. A week later I bought a dozen copies off so my husband and I could discuss it in our book group. I kept our copy near the dining room table, and when the kids would start complaining at dinner about people or their day I would read them "The Pig of Happiness." The message is simple and simply sensational. Now that the book is only \$4, I will probably buy a case of them. 0 of 0 people found the following review helpful. Five Stars. By Jennifer Rhatigan My 2 year old's favorite book in the world. She knows every word!

I knew Edward Monkton was going to be a success when people started e-mailing me daily saying that it touched their hearts, it made them think, and most important, it made them laugh out loud-again and again." --Giles Andreae* In the tradition of Jonathan Livingston Seagull comes The Pig of Happiness-a philosophizing porcine fellow with a penchant for spreading good cheer.Edward Monkton's philosophical piglet aspires to elevate the spirit and become the Pig of Happiness. His happiness is so big it seeps from inside him to all the other pigs and then to all the other animals in the barnyard.* Monkton, perhaps better known as the U.K.'s top-selling living poet Giles Andreae, pairs a fresh illustrative style with simple yet profound prose to create this modern-day parable.* Monkton's greeting cards and book titles have been a big hit in the U.K. His gift books are presented to the U.S. market by Andrews McMeel exclusively, while a complementary card line from Sunrise will be introduced in the summer of 2007.

About the AuthorEdward Monkton is the alter ego of urbane Eton and Oxford educated Giles Andreae, philosopher, poet, artist, and all-round interesting fellow. Online: www.edwardmonkton.com
