Mike Indovina : The Pits Cartoon Coloring Book before purchasing it in order to gage whether or not it would be worth my time, and all praised The Pits Cartoon Coloring Book:

1 of 1 people found the following review helpful. Cute drawings, so true to life with a pitbull you will be laughing out loud.By jmilfThis coloring book had me laughing out loud as I read through the pages. If you have a pitbull, you will recognize your dog on every single page. Drawings are spot on, the print is nice and dark, and pages are thick. At 9"x6" this book is a little smaller than the average adult coloring book, but don't let that stop you from buying it. You

will not be disappointed! I plan on purchasing several more for the pitbull lovers in my family.

Dog lovers everywhere will enjoy the antics of Jake and Kizzy, two crazy rescue pitties, in this semi-autobiographical cartoon by Mike Indovina.
