Do you sometimes just get curious about Wiccan religious beliefs? If you answered yes to any of these questions, then you're in luck. In this essential guide to the afterlife, authors Augusta Moore and Elizabeth Ripley take us through religions from Ásatrú to Zoroastrianism, outlining their views of damnation, apocalypse, reincarnation, and more. Do you long to live out eternity on your very own planet? Check out the Church of Jesus Christ of Latter-Day Saints. Would you rather just lay out on the beach until the end of time? Druidism may be for you. Are you more of a stoic, no-frills type? Nirvana may be just what you need. Filled with handy diagrams, illustrations, and fun facts about each religion, *The Pocket Guide to the Afterlife* is the only book you'll need for the rest of eternity.
