Dr Allen Unruh : The Politically Incorrect Book of Humor before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Politically Incorrect Book of Humor:

3 of 3 people found the following review helpful. A healthy dose of wholesome humor. By Rev. Keith D. Jenkins There are a great many really good jokes in this collection. Quite a few of them could very easily be worked into a number of different types of speeches, lectures or presentations. My only problem is that many of these jokes are not really

politically incorrect, which was THE reason I purchased it. Then there are more than a few which were neither politically incorrect or jokes. This book could have been trimmed by about 30% and maybe sold for a few cents less and been a better product. As is the case with the vast majority of joke books I've purchased, there seemed to be a need for filler to make it a respectable length. I'd rather have less book, even if the price stayed the same. That being said, there was more than enough humor to make it worth the cost, especially for teachers, preachers and other public speakers, all of it rated G, which was another factor in its favor. Its few flaws certainly wouldn't prevent me from recommending it. 3 of 3 people found the following review helpful. We need to laugh more By Edna M. Clarke I enjoyed the many quips and sometime profound messages, along with some laugh out loud statements. In this day and age of little to laugh about, Politically Incorrect Humor was a breath of fresh air. I also gave this book as a gift, and I was told it was a very good choice.

Want to sound clever, at the top of your game and the smartest person in the room? It's simple, read, remember and repeat some of my friend, Dr. Allen Unruh's thousands of one-liners. Your friends will wonder how you got so smart, so quick. Richard A. Viguerie, Chairman of American Target Advertising My dear friend, Dr. Allen Unruh, speaks boldly and without compromise all wrapped in a blanket of laugh-out-loud humor. I highly recommend this book to everyone for its' insightful wisdom and truth. Dick Bott Sr., Bott Radio Network, Founder and Board Chairman To describe Dr. Allen Unruh's book in one word: It's HUMOROUS. What's funny today? Anything that isn't politically correct. Political correctness stops humor. This book has wit, wisdom, and laughter on every page. It's time to add more fun to your life. "We'll never win the war on women because half the country is sleeping with the enemy." "The new Obamacare emergency number is: 1-800-YOU-DEAD And they have a new drug approved by the IRS called: SENDITOL
