Laurie Notaro : The Post Office Lady with the Dragon Tattoo: An Essay before purchasing it in order to gage whether or not it would be worth my time, and all praised The Post Office Lady with the Dragon Tattoo: An Essay:

5 of 5 people found the following review helpful. Typical Laurie Notaro and it's great!By Annie BI'm a huge Laurie Notaro fan and have been anxiously waiting for her next book. This essay was a nice bridge until it comes out. The essay is written in typical Notaro style and her way of seeing life and people is always fun and interesting. Her descriptions are vivid and funny. I will always look at the Post Office a bit differently now and see humor where I haven't before.My only problem is now I am even only more anxious for her newest book to be released. I can't wait.

Great reading for a lunch break or when you need to lighten your spirits a bit. Yes, it's short, but it's worth it. Thanks, Laurie!
0 of 0 people found the following review helpful. Laurie is always funny
By C. Wohlschlaeger
Blah blah blah. I can't believe is making me write twenty words for a review on a funny essay.
1 of 1 people found the following review helpful. this is a tiny article don't waste your money.

this is a tiny article don't waste your money. there are bigger collections available so go buy one of them instead. Laurie Notaro is funny but make sure you are getting an actual book

I had been dreading this day for more than a year. Everyone's favorite Idiot Girl, Laurie Notaro, is very close to wearing out her welcome in her hometown of Eugene, Oregon. Just a year ago, she was eighty-sixed from the local satellite post office for buying too many two-cent stamps ("The post office lady looked at me like I had just asked her if she wanted to buy my sex tape"). Now Notaro, needing to send an important care package to her nephew, returns to the scene of the non-crime—which is located inside a drugstore that is stocked with everything from Hello Kitty trinkets to fake poo to "the largest collection of aging candy on the West Coast." Will the post office lady who banned her the first time around kick her to the curb, or will Laurie use her Idiot Girl wiles to work her way back into the Mean Lady's good graces? In this hilarious story, New York Times bestselling author Laurie Notaro's signature pluck and irresistible candor are on full display and will have you laughing out loud.
