Tim Nyberg : The Practical Joker's Handbook: The Sequel before purchasing it in order to gage whether or not it would be worth my time, and all praised The Practical Joker's Handbook: The Sequel:

0 of 0 people found the following review helpful. A great resource for those of you who feel the need ...By NPA great resource for those of you who feel the need to play practical jokes on your family, friends and coworkers. Especially useful are the signs in the back that can be copied and posted in appropriate places (eg: CCTV monitoring sign on bathroom door).0 of 0 people found the following review helpful. hey I remember you from...By JosofaAn okay read, but nothing all that original, and several pranks that could result in injury or property damage. The fun facts kept things interesting. More of a bathroom reader than anything else. I recommend watching Scam School of you want to learn something a bit more useful.

An all-new collection of hilarious pranks and hijinks from the world's foremost authority on practical jokes. Tim Nyberg, author of the hilarious, definitive guide to practical jokes, is back with *The Practical Joker's Handbook: The Sequel*. This compendium of all-new practical jokes is a wild, diabolical follow-up to the original. Like *The Practical Joker's Handbook*, this sequel is built upon contributions submitted to his Web site from Nyberg's fans. Of course, the entertaining Nyberg has sifted through his warped fans' merciless suggestions to weed out the dangerous, the mean-spirited, and the potentially litigious. As Nyberg says in the book's introduction, it's only a good practical joke if "both parties (eventually) find humor in the prank." *The Practical Joker's Handbook: The Sequel* is a sly collection of blueprints for jokes and pranks to play at home, at work, at school, at the office--anywhere.

About the Author Tim Nyberg is a graphic designer and an illustrator who, along with his brother-in-law, Jim Berg, created the enormously popular Duct Tape Book series and more than a decade of best-selling Duct Tape calendars. He appears regularly on North American radio and television shows promoting his creative, offbeat humor books. He lives in Door County, Wisconsin. Online: www.ducttapeguys.com
