**Christine E. Nunn : The Preppy Cookbook: Classic Recipes for the Modern Prep** before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Preppy Cookbook: Classic Recipes for the Modern Prep:

3 of 3 people found the following review helpful. Comfort FoodBy MVGLiked the recipes, but already had a lot of them. Perhaps that's not a fair criticism because the book does not pretend to be new and original - quite the opposite - so maybe I should not have been surprised. Didn't think the "narrative" was particularly engaging compared to the original Preppy Handbook, back in the day.0 of 0 people found the following review helpful. What it says it isBy Warren R. Are you planning the menu for your local junior leagues next luncheon? Wondering what cocktail to sip on while spectating at Wimbledon? Searching for the perfect casserole that tastes just the way Mummy used to make it? With answers to all these questions and more, The Preppy Cookbook will guide you, step by step, in creating a kitchen, and

a world, that exemplifies the preppy lifestyle. This beautifully illustrated cookbook from Christine E. Nunn, the owner of Picnic, offers more than 125 perfectly tested recipes. Readers will not only delight their taste buds with mouthwatering photographs of summer Lobster Rolls and The Perfect Pot Roast, but theyll also discover The Preppy Cookbook is a cheeky, cover-to-cover read that is as witty as it is delicious. With droll but wise inflection, Nunn shares time-honored traditions and cites proper blue-blood etiquette. For example, always pick up asparagus with your fingers; never use a fork unless it is smothered in Easy and Perfect Hollandaise sauce. Brunch begins at 12:15 pm sharp. And gentlemen, when cocktailing, remember to bring a church key. Whether its planning a wedding shower, serving hors doeuvres at the annual tree-trimming party, firing up a lobster bake in Maine, or finding the cure for a Sunday morning hangover, The Preppy Cookbook will provide you with an arsenal of great recipes for all occasions.
