Peter Archer : The Quotable Intellectual: 1,417 Bon Mots, Ripostes, and Witticisms for Aspiring Academics, Armchair Philosophers And Anyone Else Who Wants to Sound Really Smart before purchasing it in order to gage whether or not it would be worth my time, and all praised The Quotable Intellectual: 1,417 Bon Mots, Ripostes,

and Witticisms for Aspiring Academics, Armchair Philosophers And Anyone Else Who Wants to Sound Really Smart:

0 of 0 people found the following review helpful. Cool BookBy EZEI REALLY enjoyed this book. I am a person that loves to read all kinds of quotes. This book has a bunch and plenty that I haven't heard of. It's divided into topics from Marriage, Friendship, Business, Technology, Love, War, Death, Religion...etc and provides a cool amount of quotes that are then divided as being positive on the subject and then negative. Good read and I guess it can help you sound very smart if you can memorize a few and integrate them into a normal conversation. 1 of 1 people found the following review helpful. Loved it!!!By Elizabeth M GilcherI recently hosted a birthday party and each table was a different theme, one was books. For favors I made 8 different bookmarks--each with at least 10 "quotes" on them. I got almost all of quotes from "Quotable Intellectual". It was great and more than fulfilled my needs. It was a wonderful resource. I recommend it to anyone who likes quotes and their sources. 0 of 0 people found the following review helpful. I had hope to receive a copy like the one I saw with a hard copy not ...By Maxine MeachI had hope to receive a copy like the one I saw with a hard copy not the paper back issue.

Have you ever wanted to be an intellectual, without all that tedious work of getting an advanced college degree? Here's your shortcut to the world of the well read. Just open this collection of 1,417 quotations from the mouths of the wildly famous to the painfully obscure, and voila!--instant erudition. It doesn't take much to sound as if you know what you're talking about. Just toss off some time-tested wisdom from Henry James or Plotinus . . . or, if you're feeling daring, a line or two of poetry from Byron. In no time at all you'll be sipping a glass of Madeira, sampling imported Gouda, and bragging about your collection of first edition Vonneguts. Just like an intellectual.

About the AuthorPeter Archer is an editor at Adams Media. He subscribes to the New Yorker, the Economist, and the New York of Books; keeps a copy of Dante's Divine Comedy on his nightstand; and has an M.Litt. from the University of St. Andrews. Which makes him as much of a pseudointellectual as he needs to be to write this book.
