Ralph Steadman : The Ralph Steadman Book of Dogs before purchasing it in order to gage whether or not it would be worth my time, and all praised The Ralph Steadman Book of Dogs:

2 of 2 people found the following review helpful. Better Than The Book of JonesBy Ron in Western MarylandBetter than the Book of Jones but just a little. Perhaps it's a question of size. Size does matter I guess. Perhaps the original illustrations are larger and look better, but in a book like this the work is questionable. Some are ok and some are not so ok. I am not impressed with the splatter drawings. They seem to be the work of someone tired and just trying to meet a deadline. In all fairness, some of the illustrations in this book were outrageously funny captioned. I guess my biggest gripe was the unevenness of the book overall.1 of 1 people found the following review helpful. I love this bookBy albert PongonisI love this book. Not for kids. I am an art teacher and I use ink splatter activities with the students so this has some good examples, but you can't let the whole book be available to students. And yes, I know who steadman is and I never expected to be able to use the whole book in class. The book definitely celebrates the more hedonistic qualities of dog personality and psychology in a very fun and in your face way.2 of 2 people found the following review helpful. Dogs Steadman... you gotta like one of those two things!By Jeffrey GardnerI love dogs.Some people will pick up this book and flip through it and be done with it.Others will find a lot of fun and value in the illustrations and some great humor in some of the captions on the photos.There isn't a story. There isn't a point. It's dogs though... and Steadman!

Ralph Steadman—artist of distinction, caricaturist of brilliance—is also a longtime dog lover. In his latest book, he shows us dogs on furniture, fashion dogs, wine dogs, fantastical crossbreeds, and even the insects that live on dogs. The Ralph Steadman Book of Dogs captures the fierce and furious, the whimsical and wistful, and everything in between, including: • Saloon Bar Dog • Antisocial Blot Dog • Buddhist Dogs Searching for Happiness • Dog Baby Substitute • Decibelle, the Noisy Mongrel With his trademark style and strong eye, Steadman exposes the heart and bone of our canine companions to create a stunning dog book like no other.
