Rose Adders : The Really Bored @ Work Doodle Book: For Eager Beavers and Busy Bees with Time on Their Hands before purchasing it in order to gage whether or not it would be worth my time, and all praised The Really Bored @ Work Doodle Book: For Eager Beavers and Busy Bees with Time on Their Hands:

Even for those who work really, really hard, every job has its moments of boredom—during a long and useless meeting, for example. This entertaining doodle book is filled with new ways to stay busy and keep your mind occupied. Packed with great gags specifically created for the workplace, it features clever ideas for rating your job

satisfaction, charts to fill in, and partially completed pictures to finish. Draw your job as a monster and show what's really going on in the coffee room. Everything's ready to go and set for fun.

About the Author Rose Adders wrote *Dirty Doodles* (Carlton 2007) and is an artist, photographer and philosopher. (S)he lives in London.
