DEADLY, WICKEDLY, RIOTOUSLY effin' FUNNY~~By D O'HaraThis will go down in comic history as "something oh so funny" , the pinnacle, the Pulitzer within the comedy industry. Tiny Fey will be involved in an unseemly scandal involving herself naked in a posh hotel room surrounded by super drunk bunnies with suicidal ideation...Tina's appraochable manner her pig jokes (complete w/snorts) stirs the hammered hares....Tina offers them recurring roles on her new TV show. Ten minutes later, Tina wakes up, drunk in a hotel w/an equally enebriated Andy Riley, the room is trashed but, in the center,calming munching carrots, is 1 ALIVE bunny. Tina does another shot of tequila sleeps again.0 of 0 people found the following review helpful. More dead bunnies!By RichardBThis stuff is brutally funny. You better have a dark sense of humor and it helps if you don't care much for bunnies. Recommended.0 of 0 people found the following review helpful. Funniest picture book everBy mimiI would reccommend this ebook to so many people (who are older, of course.) My good friend reccommended this book to me and showed me.. Long story short I was ROFL for a verrrrrry long time. I showed this book to my friends and now every time they see me with my kindle, they'd ask,"Can we see that Bunny book again?" Love this book!

Return of the Bunny Suicides follows over one hundred bunnies as they find ever more bizarre ways to end their fuzzy little existences. From swimming with nibbly fishes, to hiding under an elephant's footstool, to getting on the sharp end of a Venetian gondola—no stone goes unturned (or undropped, or uncatapulted) in the twisted little creatures' next installment.Illustrated in a spare and simple style, Return of the Bunny Suicides is a collection of hilarious and outrageous cartoons that will appeal to anyone in touch with their evil side.www.bookofbunnysuicides.com
