following review helpful. Four StarsBy BeverlyMore importantly than my pleasure is the pleasure that the children are finding in this little book..

Featuring the most beloved stories from both the Old and New Testaments, this charming volume of verse provides an illuminating journey through the Bible. Episodes such as the Creation, Noah's Ark, the Lamentations of Job, the Nativity, the Feeding of the Five Thousand, and the Resurrection are all given new life through a selection of clever poems. Fully illustrated and true to the original Bible tales throughout, this is a unique and amusing compilation that young and old alike can enjoy.

About the AuthorJames Muirden and David Eccles are the coauthors of *The Cosmic Verses*, *A Rhyming History of Britain*, and *Shakespeare Well-Versed*.
