James Branch Cabell : The Rivet in Grandfather's Neck A Comedy of Limitations before purchasing it in order to gage whether or not it would be worth my time, and all praised The Rivet in Grandfather's Neck A Comedy of Limitations:

4 of 4 people found the following review helpful. The Rivet in Grandfather's NeckBy Lee K. HawleyI don't know why Cabell isn't considered one of America's finest novelists, up there with Mark Twain. This isn't one of his most interesting - it's a book that, like The Cords of Vanity, has not the slightest trace of fantasy in it, despite being part of the Biography of Manuel. But it represents the same approach to the relations between the sexes that Jurgen does.

Amazingly, for a book wholly about marriage and human society, I couldn't put it down, and read the second half between 2 and 3 in the morning.0 of 0 people found the following review helpful. excellent book by cabellBy Pamela R. ButterworthExcellent story line. Clearly centers on richmond, va even though text refers to Lichfield. Just when you think you've figured out the story, there's a surprising conclusion.0 of 0 people found the following review helpful. Two StarsBy another ownernot great

The Rivet in Grandfather's Neck - A Comedy of Limitations is presented here in a high quality paperback edition. This popular classic work by James Branch Cabell is in the English language, and may not include graphics or images from the original edition.
