The Rock 'N' Roll Comics Coloring Book features full-page art depicting classic rock concerts and historical happenings with the Beatles, Prince, Jimi Hendrix, David Bowie, Led Zeppelin, Pink Floyd, Megadeth, Lemmy Motorhead, Rush, Genesis, Nirvana, Aerosmith, Madonna, Queen, Michael Jackson, Van Halen, Elvis Presley, Pantera, Ozzy Osbourne, the Doors, Motley Crue, Eric Clapton, the Who, Alice in Chains, Guns N' Roses, ZZ Top, Whitesnake, Poison, the Grateful Dead, and many more. Some of the art is incredibly intricate, while other pieces are

more open and geared for casual doodling. We also included a little biographical information on each of the performers composed by one of the writers from VH1's Pop-Up Video, as in our Rock 'N' Roll Cartoon History graphic novels. Have fun coloring, and learn a little obscure and fascinating trivia at the same time! With the award-winning documentary film The story of Rock 'N' Comics now available on DVD and streaming on VOD, Amazon, etc, the original comic creators present a brand new adult coloring book featuring dozens of rock and pop heroes in poster-style pinups designed to provide hours of colorizing fun for fans and artists.
