Diane Karagienakos : The Saga of Gray and Nameless!: Imagining Pups! (The Saga of Gray and Nameless (two pups' perspective on the world!)) (Volume 6) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Saga of Gray and Nameless!: Imagining Pups! (The Saga of Gray and Nameless (two

pups' perspective on the world!)) (Volume 6):

With the weather bleak outdoors, and no internet connection indoors, Gray Nameless discover there are lots of ways to brighten the day -- with a little imagination, that is! Meet Gray Nameless, your Guide Dogs to finding finding joy and conquering challenges in everyday life! As you might imagine by their names, days were pretty dull for Gray Nameless before they met. But together, every day is an exciting, meaningful adventure! Enjoy the entire series of Gray Nameless books, where we see that no matter what odds are against you -- including being a 1" pit bull (a breed that has an undeserved bad reputation due to bad people) -- if you work hard and are kind, you can overcome any obstacle and make a positive contribution to society.

About the Author Diane Karagienakos is a Certified Human-Animal Intervention Specialist (CHAIS), an animal welfare and humane education advocate, an a writer. Her muse is her own rescue pup, Picard, with whom Diane volunteers as an Animal Assisted Therapy (AAT) team. 100% of the profits from sale of the Gray and Nameless book series goes toward animal rescue organizations.
