Cleverly illustrated, this book is the perfect gift for cat loversEveryone knows that cats like to explore and investigate when they stray away from the comfort of their basket, but ever wonder what antics they might be getting up to when they are alone? The Secret Life of Cats portrays frisky felines and tearaway toms as you've never seen them before, in all their marvelous mischievous glory!

"...laugh-out-loud funny. I can't think of anyone who wouldn't enjoy this little gem of a book." —The Cat on My Head
