**Jim Dean : The Secret Lives of Fishermen: More Outdoor Essays** before purchasing it in order to gauge whether or not it would be worth my time, and all praised *The Secret Lives of Fishermen: More Outdoor Essays*:

0 of 0 people found the following review helpful. Great book  
By John K. Albano  
Wonderful stories about life with a little humor and fishing thrown in for good measure a great read for everyone  
0 of 0 people found the following review helpful. You will enjoy reading this book if you enjoy stories about good ...  
By Judy Blackley  
You will enjoy reading this book if you enjoy stories about good clean fun when it comes to fishing or hunting. While reading I feel like I'm right there and having a great time right along with Mr. Dean. His stories are true and sometimes hilarious. Once you have read this book you will better understand fishermen and why they enjoy the outdoors so much. You may decide to create your own memories to cherish. These articles will be sure to cheer up anyone who is feeling the everyday pressures in life. Try this book - I know you will be glad you did.  
0 of 0 people found the following review helpful. Humorous outdoor essays  
By Susan  
Insightful look at the lives of outdoorsmen and the stories they tell about fishing, hunting and the impact of it all upon daily life. Easy and fun to read, you are sure to connect with the stories Dean tells.

*The Secret Lives of Fishermen* is Jim Dean's second book of essays celebrating wild places, rural traditions, and the pleasures and often humorous frustrations of fishing, hunting, hiking, and camping--or, as Dean might put it, "messing around" outdoors. It combines essays originally published in his monthly "Our Natural Heritage" column in *Wildlife* in North Carolina with longer pieces that appeared in other magazines. These forty-six engaging essays are arranged in a loose chronicle of the sporting year, but they seldom follow predictable routes. From a whimsical story about discovering live wood ducks in a cabin stove to a poignant memoir of summers spent in a remote riverside shack, all of the pieces are bound by a conviction that our resources and time are limited and our finest memories are shared. The title notwithstanding, not all of the essays in *The Secret Lives of Fishermen* are about fishing, nor are readers likely to discover any shocking secrets--unless they are surprised to learn that fishermen and hunters have myriad interests and seldom measure success by the number of fish caught or game bagged.

"Dean looks beyond his hooks and flies to capture the cadence of friendly fishing and outdoor adventure..." --  
PUBLISHERS WEEKLY  
Dean takes the reader to his favorite North Carolina laughing places--Emerald Isle, his father's Granville County farm, lakes, trout streams, ponds, mountain cabins and Ralph, his fishing car. Each of Dean's laughing places has stories to tell--of people, dogs, fish, birds, and changing seasons--and Dean tells them in a laid-back Southern way that relaxes and amuses. *The Secret Lives of Fishermen* is a laughing place of its own.--  
TasteFull  
Jim Dean is warmhearted and wise--and often hilarious--about people with a passion for fishing. And he loves them in as many varieties as the species he pursues with all kinds of tackle. You couldn't ask for a more amiable fishing companion in print.--  
Nick Lyons, author of *Confessions of a Fly-Fishing Addict*  
Dean looks beyond his hooks and flies to capture the cadence of friendly fishing and outdoor adventure. From learning that high-tech rods and lures don't necessarily improve one's ability to catch fish to savoring the 'Sportugese' of his favorite pastime, he offers a wealth of food for thought in his short, spare stories.--  
Publishers Weekly  
About the Author  
Author of *Dogs That Point, Fish That Bite*, Jim Dean served as editor of *Wildlife* in North Carolina for eighteen years. He continues to contribute to that magazine and such publications as *Field and Stream* and *Fly Rod and Reel*. He lives in Raleigh, North Carolina.
