**From Countryman Press : The Shaker's Guide to Good Manners** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Shaker's Guide to Good Manners:

The intimate guide to life as a Shaker in 19th century America "Never make more free with your inferiors than you are willing they should make with you; it learns them to be saucy." Such sage words of advice come from Mother Ann Lee's Society of the Shakers, who in 1844 published A Juvenile Guide, or Manual of Good Manners, Consisting of Counsels, Instructions, Rules of Deportment for the Young. Known for their piety, their economy, and (perhaps most famously) their celibacy, the Shakers knew a thing or two about etiquette and proper decorum. With this incredible artifact of a bygone era, you can experience what it was like to live in a rural 19th century religious community, where children were taught to "be careful not to talk too loud, nor too much" and to "always have a place for every thing, and keep every thing in its place." 25 bw photographs

About the Author Flo Morse, a former writer for the New York Herald Tribune, has been called "a caring

spokesperson” for the Shaker community. She lives with her family in Santa Fe, New MexicoFlo Morse, a former writer for the New York Herald Tribune, has been called “a caring spokesperson” for the Shaker community. She lives with her family in Santa Fe, New Mexico
