It is refreshing to hear the truth and know that we are not alone in some of life's humorous situations.1 of 1 people found the following review helpful. Biography loverBy PatDelightful book. So much humor about day to day life. She has a wonderful attitude about life, and is realistic and practical about marriage and family.1 of 1 people found the following review helpful. Smartt girl!By Wanda WebbLisa Smartt is a great writer! She is the the guest speaker at an upcoming Ladies' Retreat at my church. I wanted to read her book before I heard her speak. Now, I can't wait.

This is a compilation of newspaper columns which first appeared in "The Union City Daily Messenger" and "The Weakley Co. Press."Life. It's not perfect. Those of us who participate in life aren't perfect either. Far from it. Sometimes it's wildly funny. Other times it leads us down paths of difficult discovery. I hope this book is a fun and enjoyable celebration of LIFE with all its ups and downs. Happy Reading! Happy Living!
