Thaddeus Taylor : The Smoking Pun: Crimes Against the Language before purchasing it in order to gage whether or not it would be worth my time, and all praised The Smoking Pun: Crimes Against the Language:

0 of 0 people found the following review helpful. This is a fun book. I just love some of the stuff ...By Mr David Hutcheson This is a fun book. I just love some of the stuff in hear. If you like this sort of thing, then buy it. 3 of 4 people found the following review helpful. Don't read while operating heavy machinery! By Duncan Cover Brilliant and funny. Thaddeus Taylor is a lexicographical wizard. You think you don't want to read a book about puns? Remember when you said you wouldn't like Douglas Adams because you don't read science fiction? You'll find yourself following people around reading this book aloud to them, choking with laughter. Get it before someone else does. 5 of 6 people found the following review helpful. Smart Humor - Intelligiggles By Mark E. Mckinney It's rare that you find an author that creates a whole new genre of humor. Are the puns? Are the riddles? What the heck are they? They are just plain funny! Highly recommend having this somewhere where friends can pick up the book while you cook them a spaghetti dinner. It will make for excellent "mealtainment".

This collection of 44 puns, each accompanied by a funny illustration, analyzes in endnotes the origins, roots, prefixes, suffixes, and linguistic peculiarities of certain punned words. Tricky twists turn phrases such as "religiously ambivalent" into "either-or-thodox," and illuminating notes explain how such phrases as "no stone unturned" mutated from the darker "no bones unburned," which refers to the digging up and destroying of the bones of people

posthumously convicted of heresy. Readers are also invited to submit their own puns using mail-in forms at the back of the book.

About the Author Thaddeus Taylor is a songwriter and composer whose clients include R D Thinktank, United Way, and Medical City–Dallas Hospital. He lives in San Antonio, Texas. Tom Nynas is a teacher of design and typography at Texas AM–Commerce and his work has appeared in Communication Arts, Graphis Design Annual, and Graphis Logo. He lives in Dallas.
