This is a collection of sporting prints lampooning the work of expert draughtsmen such as Stubbs, Rowlandson, Fernley and Pollard. Thelwell, the creator of the cartoon character Penelope, has a superb eye for detail and for the relationship between humans and animals.

About the Author Norman Thelwell (1923–2004) sold his first drawing to Punch in 1950, and two years later became an important regular contributor. His own books include Angels on Horseback and Wrestling with a Pencil.
