Sheila Barry : There's a Calf in the Sitting Room... before purchasing it in order to gage whether or not it would be worth my time, and all praised There's a Calf in the Sitting Room...:

0 of 0 people found the following review helpful. Funny, affectionate and instructive By miranda For some of us, the mid-20th century doesn't seem like "history" - but this book is about a lifestyle which I though had vanished half a century earlier. I just loved reading about the way they lived, and the animals they lived with. I laughed a lot, too!
