Another Justin Matott incredible creation!By Kimberli HasselThe energy and creativity of the author, Justin Matott, pours through onto the pages of "There's a Fly on my Toast". I loved it! I thought it to be refreshing and fun for all ages. My two daughters, ages 8 and 10, love picking their favorites to read with friends. It has even inspired one of them to begin putting her thoughts onto paper for a possible poem of her own. Great gift for anyone. Pick one up for yourself, you won't be disappointed.0 of 0 people found the following review helpful. TOO FUNNYBy A CustomerJello squirting from your nose? Shorts that are too tight? Subjects that might raise an eyebrow until the parent or teacher listens to the other words that instruct in A Boy I Once Knew or others that make one think about the world as a better place. These rhymes will bring a smile, a frown and a giggle, but most important, they will bring a child's imagination alive! As a teacher I will keep this available for all of my readers to enjoy!0 of 0 people found the following review helpful. THIS IS AWESOME!By A CustomerThis book is SO

MUCH fun! I have read and reread the funny, peculiar, thought provoking poems so many times with my daughter that it is already showing great signs of wear, after only two months. I hope this author is discovered by some big time talk show people. He deserves to be known as well as some of the others such as Shel Silverstein, Jack Prelusky and the others that keep us laughing. Encore! Encore! Encore!

There's a Fly on My Toast! is the long awaited collaboration from the team that brought forth the award-winning and beloved Ol' Lady Grizelda! For breakfast or dinner or even for lunch! I'll eat them forever, munch them by the bunch! I like it when they're double! I like some extra cheese! Cheeseburgers are awesome! I'll have two, pretty please! Cheeseburgers are just one of the subjects Matott writes about in this delightful book. From dogs and cats, annoying siblings, wrinkled elbows, and underwear, to many other subjects, you will surely be entertained and will nod with recognition from your own experiences as you read.

From the Publisher We are very excited about this new book! Matott is drawing comparisons to some of the greats! We believe There's A Fly On My Toast! is going to spread through many classrooms, becoming a favorite of teachers and students of all ages alike! If you enjoyed Matott's picture books you are in for a real treat! From the Author This was a fun book to write and to work on. I so enjoy the collaborations with John Woods Jr. He is one of my favorite artists and a good man besides. About the Author Justin Matott over the past twelve years has developed a platform for his writing and speaking focused on the enjoyment of reading, storytelling and motivating the most of reluctant readers to pick up a book and get lost in them. He is also on an anti-bullying crusade as he moves from school assemblies to classrooms.
