A Wonderful Read - For Adults and Kids! By Davi Michelle An absolutely wonderful read - for adults and kids! I wasn't sure what to expect, but I was intrigued by the concept and came away delighted. These limericks took me to a simpler place, and many of the lessons portrayed in them are both funny and well thought out for children. Aside from that, its just a fun book - especially when reading out loud! The notes on how to write your own limericks were helpful as well. Loved it. 0 of 0 people found the following review helpful.
